S.C. SUPREME COURT

IN THE STATE OF SOUTH CAROLINA
In the Supreme Court

APPEAL FROM THE ADMINISTRATIVE LAW COURT

The Honorable Ralph King Anderson, III
Chief Administrative Law Judge

Appellate Case No. 2025-000181

Blue Ridge Environmental Defense League,

Appellant,

v.

South Carolina Department of Environmental Services
and Dominion Energy,

Respondents.

DOMINION ENERGY'S MOTION FOR COSTS ON APPEAL

Pursuant to Rule 240 and Rule 242, SCACR, Respondent Dominion Energy (Dominion), by and through the undersigned counsel, hereby submits this motion for costs on appeal. For the reasons set forth below, the Court should grant this motion and award costs.

On July 24, 2023, the Administrative Law Court issued its ruling upholding the decision of the South Carolina Department of Environmental Services to issue a Section 401 Water Quality Certification to Dominion. Appellant sought review in the South Carolina Court of Appeals. This Court certified the appeal for review by the Supreme Court pursuant to Rule 204(b), SCACR. The Supreme Court held oral arguments and published Opinion No. 28315 on January 28, 2026, affirming the judgment of the Administrative Law Court. Appellant did not file a Motion for Rehearing, and the Court issued its remittitur on February 13, 2026.

Dominion hereby moves the Court for fees and costs as permitted by Rule 222, SCACR. As required by subsection (d) of Rule 222, SCACR, this motion is accompanied by a sworn itemized statement of costs. Per the enclosed sworn statement of itemized costs, Dominion is seeking \$4109.04 in costs on appeal from Appellant Blue Ridge Environmental Defense League.

Respectfully submitted,

s/Elizabeth B. Partlow
