SC Court of Appeals

STATE OF SOUTH CAROLINA
IN THE COURT OF APPEALS

Appeal from Hampton County
Honorable Robert J. Bonds, Circuit Court Judge

THE STATE,

RESPONDENT,

V.

TYRASE AKIL COLLINS,

APPELLANT

Appellate Case No. 2024-001238

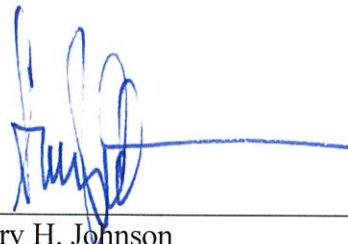

PETITION TO SUBMIT
AMENDED DESIGNATION PAGE AND
SUPPLEMENTAL RECORD ON APPEAL

Pursuant to Rule 240, SCACR, the undersigned counsel would petition to relax Rule 209, SCARC, for leave to submit an Amended Designation of Matter page to the Brief of Appellant filed in the above titled case on appeal, as well as an accompanying Supplemental Record on Appeal. In support of this petition, counsel would present the following facts.

- 1) The Final Brief of Appellant is due to be filed with this Court today, February 17, 2026.
- 2) The undersigned counsel has recently discovered that fifteen (15) pages of the sentencing hearing were inadvertently excluded from the list of designated materials that are relevant to the sentencing issue raised on appeal and should be included in the records to be filed in the case.

3) The Amended Designation of Matter page is attached to this petition as well as the proposed Supplemental Record on Appeal. Since Respondent has already filed a final brief, the Record on Appeal is being supplemented with the additional pages rather than amended. Since there was a single citation to a portion of the omitted pages, the Final Brief of Appellant is being filed in connection with this motion with the single reference referring to the Supplemental Record in anticipation of the Court granting this request. Counsel for Respondent has been contacted about the need for the supplemental record.

WHEREFORE, the undersigned counsel would request that this Court grant this petition to submit the attached Amended Designation of Matter and accompanying Supplemental Record on Appeal.

Gary H. Johnson
Appellate Defender
