Good morning,

It has come to my attention that I put another appellate court case number on my Motion to Accept late filing, so it got filed with the other pending appeal.

Adam, could you respond all to this email stating that you received the Respondent's final brief and the motion to accept late filing? If you do not have any objections to accepting the late filing, will you include that as well. Hopefully, that will allow fix my goof up.

I apologize for my error and the extra trouble it has caused.

Thank you,
