**Subject: URGENT: Correction of Clerical Error - Case No. 2026-000079 (Tony Williams v. Lowe's)**

**To:** Clerk of the South Carolina Court of Appeals

**Cc:** Andrew Gordon Melling, Esq.

**Dear Clerk of Court,**

I am writing in response to the automated "Correspondence - Outgoing (Transcript Order Overdue)" sent via email on January 23, 2026.

Please be advised that this notice appears to have been issued in error. A review of the **South Carolina Appellate Case Management System (C-Track)** for Case No. **2026-000079** confirms that the Appellant's "**Statement of No Transcript**" was timely received and officially logged into the Event Information on **January 8, 2026**.

As documented in that filing (and pursuant to **Rule 207(b), SCACR**), the Appellant has elected to proceed without a transcript as the issues on appeal are purely legal and forensic in nature—specifically addressing the **Certified Entry of Default** of the Respondents and the forensic deficiencies of the Order under appeal.

**Requested Action:**

1.

Please update the internal case status to reflect that the transcript requirement was satisfied on January 8, 2026.

2.

Please vacate the "Overdue" status to ensure the **Initial Briefing** stage is not procedurally interrupted by this administrative discrepancy.

I have attached a screenshot of the current C-Track docket highlighting the January 8th entry for your convenience.

**Respectfully Submitted,**

**Tony Williams**
