

The Supreme Court of South Carolina

Anthony Taylor, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2013-002329

ORDER

Petitioner has filed a notice of appeal from an order of the circuit court denying and dismissing petitioner's fifth application for post-conviction relief (PCR). Petitioner has also submitted the explanation required by Rule 243(c), SCACR. We find petitioner has failed to show there is an arguable basis for asserting the determination by the lower court was improper. Accordingly, we dismiss the notice of appeal in this matter.

Moreover, we hereby prohibit petitioner from filing any further collateral actions in the circuit court, including PCR actions and habeas corpus actions, challenging his convictions from 1996 without first obtaining permission to do so from this Court.
