Good afternoon,

I hope this message finds you well. Please find attached the most recent status update for Case 2025-000702.

As previously reported, the Court Reporter responsible for preparing the necessary transcripts is currently on medical leave. I have been in contact with the Court Reporter's office and have been informed that they will not be returning until April 23, 2026. Given this timeline, it is anticipated that the transcripts will be completed and available shortly thereafter.

The Appellant understands the importance of these transcripts for the ongoing appeal and is committed to preparing and filing the initial brief as soon as the transcripts are received.

We appreciate the Court's understanding and patience in this matter. Appellant respectfully requests that the Court take note of this status update and provide any further instructions or deadlines as necessary for the continuation of this appeal.

Respectfully submitted,

Ashley McElveen
