Re: Hawkins v. American Airlines, Inc. and Expedia
Appellate Case No.: 2025-002020

To whom it may concern:

Appellant's Initial Brief is currently due today. On February 9, 2026, the undersigned filed a motion requesting an extension of time; however, as of this afternoon, no correspondence or order has been received from the Court. I spoke with our case manager this morning and was advised that an order granting the request would likely be issued by approximately 3:00 p.m. In light of today's deadline and out of an abundance of caution, we submit this correspondence to ensure that we remain in full compliance with the Court's expectations.

Should you have any questions, concerns, or need anything further, please do not hesitate to contact our office.

Sincerely,
