Re: Manerva Walker v. Trident Medical Center
Appellate Case No. 2025-001879

Dear Ms. Walker:

As noted in this Court's letters dated January 6, 2026, and February 17, 2026, upon reviewing our records, the Court has found that you have outstanding deficiencies on your first motion for an extension of time to serve and file your initial brief of appellant and designation of matter filed on January 5, 2026, and the second motion for an extension of time to serve and file your initial brief of appellant and designation of matter filed on February 13, 2026. Both motions have a filing fee of \$50.00. The second motion for an extension of time was not accompanied by a proof of service. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.

These deficiencies must be corrected within ten (10) days of the date of this letter or your case will be dismissed. The Court declines to act on your motion for an extension of time to correct your deficiencies.

Very truly yours,

Jasmine D. Smith, Deputy
CLERK
