Re: Andrea Allen v. Chi Hun Lim, M.D.
Appellate Case No. 2025-001716

Dear Counsel:

Upon closer review of this case, we have updated our records to reflect there are four appellants in this matter: Carolina Orthopedic and Neurological Associates, PA; Chi Hun Lim, MD; Carolina Orthopedic and Neurological Associates, ASC, LLC; and Megan Nicholas, PA. We anticipate receiving separate briefs, unless the parties indicate otherwise, and we anticipate receiving one record on appeal. We designate Carolina Orthopedic and Neurological Associates, PA, as the primary appellant with responsibility for preparing the record on appeal at the appropriate time. We note there is a pending motion to substitute counsel, which automatically stays the timelines for perfecting the appeal. Accordingly, we will not take any action on the motions for an extension of time to file the appellants' initial briefs

and designations of matter. Rather, we will set the appropriate timelines once the Court has had an opportunity to rule on the motion to substitute counsel.

Very truly yours,
