Re: Moorhead Construction v. Pendleton Station AND Craft Construction v.  
Pendleton Station AND Miller Construction v. Pendleton Station  
Appellate Case No. 2012-213318

Dear Counsel:

The Court has reviewed your letters concerning the Miller Construction, Craft Construction, and Moorehead Construction cases. I have been advised to inform you that the Court has decided to consolidate these three cases. The Miller Construction case has been removed from the January 2014 roster of oral argument cases. I anticipate these cases will appear on the March 2014 preliminary list for argument during the month of March. I have already received a conflict letter from Mr. Holder. I would ask other counsel to advise me as soon as possible if they have conflicts during the first two weeks of March when the Court will be hearing oral arguments.

If you have any questions do not hesitate to contact me.

Very truly yours,

*V. Claire Allen*
