Good Morning,

Thank you for the notification. The filing fee will be placed in the mail today, February 17 via money order as requested.

The filings were emailed on February 15, in accordance with the 10 day notice contained within the overdue letter. While February 15 was a Sunday and the court was closed, I was under the impression that they would be filed the next day February 16 in accordance with deadlines that fall on weekend days which would have allowed the 16th for receiving a filing. Will this date stamp of February 17 affect the deadline and the appellate review? The overdue letter was dated for February 5, 2025.

Thank you,

Austin J. Davis
