RE: Arguable - Issues

- 1, My Attorney was "Ineffective Assistance of Counsel".
- 2, He promised me, that I would receive 30 years, Not 40 years in the SCDC.
- 3, I "fired" my Attorney "twice", while I was in the County-Jail, But he Refused to remove his-self off my Case.
- 4, My Attorney Refused to show me the "Video-Footage" of my Case.
- 5, My Attorney Refused to let me speak in the Court-Room, He told me if I spoke it would only get me in more trouble.

6, My Attorney Refused to put me in For A
"mental-Evaluation" like I was requesting
Because I was taking mental-health meds
