Appellate Case

SC Court of Appeals

Petition for
Rehearing or
Reinstatement

Appellant, Herbert Alonzo Robinson,
Respectfully Pray this Honorable Court
would Allow his Timely Filed
Appeal to be heard and decided on
the Merits. Appellant contends that
being ^{*}Indigent should not serve as the
Basis to Dismiss a Prima Facie Case
and that he should be afforded the same
Right or Opportunity to have his case
heard on the Merits as a party that could
Afford to pay the \$100 Filing fee, the
very purpose for this Court dismissing
his Appeal. The Final Order was filed 11/13/13.

Appellant, Robinson is a State
Prisoner that has no funds to pay

the full fees and Having his prison Account Debited to make partial payments would not create a Hardship on this Court or the State as it does not so do in Criminal matters for which the \$/00 filing fees are waived for an Indigent prisoner similarly situated as Appellant, Robinson.

Appellant, Robinson's case involving Libel, Slander or Defamation was Not Dismissed On The Merits in the Lower Court; It was dismissed simply because the Lower Court Incorrectly ruled that Appellant filed his case within "Days" after the 2 year statute of Limitations, when In Fact Appellant presented Clear and Convincing Evidence to the Contrary demonstrating under the Mailbox Rule his Complaint was duly filed in compliance with title 15-78-10 et seq, of the South Carolina Tort Claims Act.

Wherefore, Appellant - petitioner Respectfully prays this Honorable Grant this petition.

Respectfully Submitted
