SC Court of Appeals

South Carolina Court of Appeals
Case No. 2025-001184
Kong Jian Lin, Appellant
v.
Lin Yi Tong (Tony Lin), Respondent

Date: February 27, 2026

Dear Clerk of Court,

I respectfully submit this letter to clarify several issues concerning the hearings held on November 19, 2024 and May 7, 2025.

After reviewing the transcript (Pages 5–7 attached), I believe there are procedural concerns:

1. The Court did not clearly address the amount of damages I requested.
2. The discussion focused primarily on the restraining order and did not fully address my damages claim.
3. The record appears incomplete and does not fully reflect the evidence and motions I submitted.

Because there may be insufficient documentation in the written transcript, I respectfully request access to the official audio recording of the hearing to ensure the record is accurate and complete.

I submit this request in good faith and respectfully ask the Court to review these procedural concerns on appeal.

Respectfully submitted,

Kong Jian Lin
Appellant (Pro Se)
