Re: 1999-GS-42-02357 to 59

Dear Mr. Petty:

The motions you filed with the Spartanburg County Clerk of Court's Office over the past year were forwarded to me to review. They were sent to me in my capacity as the Seventh Circuit Chief Administrative Judge for General Sessions matters.

After reviewing the numerous motions and filings, please be advised that, by copy of this letter to the Spartanburg Clerk of Court, I am instructing the Clerk to not schedule any of the motions for a hearing.

I write to you to advise you of my instructions in the event you desire to seek additional judicial review before other courts. If you wish to appeal my decision, please do so in a timely manner. I also wished you to have this letter so that you can also share it with the lawyer of your choice. My belief is that any lay person benefits from receiving independent legal advice—especially matters that are important as the ones you raise in these motions. I realize in the past you were represented by Joseph McCulloch of the Palmetto Innocence Project and William Yarborough of the Greenville Bar when you raised issues related to DNA. Mr. McCulloch and Mr. Yarborough should be considered by you as appropriate legal resources to share the content of this letter and advise you of your rights. These two lawyers are just my suggestions, please consult with whichever lawyer you feel best serves you.

As reflected in the materials, you received a life sentence to a Burglary First Degree and a 30-year sentence on a Criminal Sexual Conduct charge (the 5-year sentence for grand larceny has expired because of the time you have served). Since the time you were sentenced, you and your lawyers have filed numerous actions in circuit court and other courts challenging various aspects of your case. A review of the records indicates that you have been unsuccessful with your challenges. It does appear that additional DNA testing was accomplished in 2017. This DNA report indicated the following; "the major component DNA profile matches the DNA profile obtained from sample CCC 1666-0364-R03 (Gary Petty)".

The new motions, in my opinion, are not properly filed and/or do not contain the required substantive claims to necessitate the scheduling of additional hearings by the circuit court. Expressed in more legal terms, a prima facie showing has not been made to justify conducting a hearing. Having reviewed the materials, these new motions, on their face, do not meet the standard for conducting a SCCrimR 29(b) review. Viewing the issues you raised in a manner most favorably to you, these issues, if true, should have been raised in your previous filings. Statute of limitations is a problem for you. Additionally, even though you assert you did not know of this information (jury information) until recently, the nature and existence of the information was available at the time of your trial, or at least within 12 months afterwards. ~~Additionally, the affidavit filed is your own affidavit and contains inadmissible hearsay statements from your cousin. Additionally, your assertion through a Rule 29(b) motion of third party guilty of another man convicted of similar crimes that occurred during the same time as the ones you were convicted is, again, untimely, based upon inadmissible information—newspaper accounts—and is, at best, speculative—especially given the DNA information previously obtained. Again, no prima facie showing. Also, the issue of needing an actual “injury” to support a burglary conviction is not support in law.~~

The above is a brief summary of my reasons for instructing the Clerk of Court that no hearing will be needed on the motions you have filed.

Even though my decisions are not favorable and no hearing will be conducted, I understand these issues are important to you. Thus, I, again, encourage you to seek legal advice with an attorney. Please share this letter with them and your prior filings.

I wish you only the best.

Respectfully,

J. Mark Hayes, W
