Ms. Staley, on February 3rd, the court issued an order that briefing timelines are held in abeyance until any related appeals have been filed. On Feb. 20, the remaining 3 appeals were filed and served on SCDC. It would be appreciated if the Court would please advise when the initial brief is due for this consolidated appeal, and also how the caption should read. Thank you for your assistance in this matter. Doug Westbrook, for appellants, douglas.h.westbrook@gmail.com, (843) 853-9600.
