---

Yonder Field, LLC

Respondent

v.

RI, Inc. and Seating Services, LLC;  
Scott Suprina; and John Doe  
Shareholders.

Defendants

Of Whom Scott Suprina is the

Appellant.

---

PETITION FOR REHEARING

---

The Appellant, by and through the undersigned attorney, hereby comes before this Court and files this Petition in accordance with Rule 221(a) of the South Carolina Appellate Court Rules to respectfully requests that this Court rehear this matter and reconsider its opinion (Unpublished Opinion No. 2026-UP-060) filed on February 11, 2026. Appellant hereby states with particularity the points that were overlooked and/or misapprehended by the Court:

1. The Court's opinion found that the trial court did not abuse its discretion by granting the motion to join Suprina and John Doe Beneficiary Shareholders as new defendants to the action pursuant to Rule 15 in error.
2. The Court's opinion found that Appellant Suprina did not preserve the issue of service of the amended complaint within the statute of limitations in error.

3. The Court's opinion found that the trial court did not abuse its discretion by denying the motion for judgment notwithstanding the verdict (JNOV), or in the alternative, motion for a new trial, in error.
4. The Court's opinion found that the trial court did not incorrectly enter judgment against Suprina personally because a preponderance of the evidence supported piercing the corporate veil due to Yonder Field demonstrating fundamental unfairness, in error.
5. The Court's opinion found that the trial court did not abuse its discretion by admitting evidence of the company's sale price because it was relevant to proving conversion and to the jury's determination of damages because it reasonably demonstrated the fair market value of the inventory, in error.

Based upon these specified points that were overlooked and/or misapprehended by the Court, the Appellant respectfully requests that this Court rehear this matter and reconsider its unpublished opinion.

The undersigned so moves this 2<sup>nd</sup> Day of March, 2026.
