Dear Ms. Kitchings,

I am writing in response to your February 25, 2026 correspondence regarding the transcript order in the above-referenced appeal.

The transcript was timely ordered and paid for on February 11, 2026, the same date the Notice of Appeal was filed. The completed transcript was provided to me electronically on February 18, 2026.

Attached please find the completed Transcript Request Form along with documentation confirming the February 11, 2026 order and payment. This submission is provided to ensure full compliance with Rule 207 of the SCACR and to document the timely ordering of the transcript.

The cost of the transcript required immediate full payment in order to preserve compliance with Rule 207. As a self-represented litigant, the substantial transcript expense temporarily limited my ability to simultaneously send certified mail copies to the Court and opposing counsel. The transcript itself, however, was ordered and paid within the required deadline.

I understand that Creel Court Reporting, Inc. will file and/or transmit the certified transcript to the appellate court in accordance with Rule 207 and applicable procedures.

Hard copies of the Transcript Request Form and supporting documentation will be mailed to the Court, the Office of Court Administration, and opposing counsel no later than Tuesday March 3, 2026.

Please let the record reflect that the transcript was ordered within the time required by Rule 207.

Respectfully,

Nikia Renee Noisette
Appellant
Appellate Case No. 2026-000306
