Re: Carnie Norris III, #227226 v. Dr. Gary Poliakoff
Appellate Case No. 2025-000306

Dear Mr. Norris and Counsel:

Upon reviewing the appellant's correspondence, filed on February 5, 2026, which this Court construes as an attempt to serve and file the record on appeal, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and each deficiency must be corrected within ten (10) days of the date of this letter or this matter will be dismissed:

- The record on appeal must include a title page and index as required by Rule 210(c), SCACR. The record on appeal must be substantially in the format shown by Form 15 in Appendix C to part II of the SCACR.
- The record on appeal is improperly paginated. Specifically, each page of the record on appeal must be numbered consecutively beginning with the index as required by Rule 210(c), SCACR.

Additionally, the respondent has filed a motion for an extension of time to serve and file the respondent's final brief. This Court will act on the respondent's motion for an extension of time once the deficiencies for the record on appeal have been corrected.

Very truly yours,
