The following is what Ms Williams filed with the Court on January 21,2026. We have still not received the transcript and we did not wish to put any additional pressure on her while she was on medical leave.
Please advise what our status is with the Court.
Thank you

Subject: Load holt transcripts

There are two short transcripts left to do for

counsel to move ahead. I will complete by the end of the week and put the transcripts in the portal.

This delay had nothing to do with Mr. Swerling.. I am still on medical leave but working on transcripts.

Best regards.
