S.C. SUPREME COURT

Motion to Reinstate

To Whom It may Concern

I Dyan Holland had mailed a check for my filing and the Court hadn't received it as of March 6, 2026, which caused my case to be dismissed. I emailed proof that it was mailed but it was after I found out my case was dismissed. I spoke with my case worker Ms Ashli Thompson and told her that I would probably put a stop payment on it and reissue another, because I don't know what happened. I am going to Resend another payment but will send it Certified with a signature Required this time. I did speak with Ms. Shelby Spencer at the Court of Appeals on Friday March 6, 2026 after I had found out about my case was dismissed by the Supreme Ms. Spencer informed me that I had until March 20, 2026 to file something with the Court because the Court of Appeals had to wait 15 days before they send over the Remittur I am Requesting for this Court to Reinstate my case due to the mail system which I have no control of once it leaves my hand.

Best Regards
Dyan Holland
