SC Court of Appeals

From: [R.Bh](#)
To: [Court Of Appeals Filings](#)
Subject: Requesting the court to reconsider the decision to not proceed without fees
Date: Monday, March 9, 2026 11:08:44 AM

Attention: My internet was not functioning until this morning.

I am a disabled veteran and live on bare minimum income. I could not afford an Attorney. But to proceed without court fees would help me to overcome obstacles that would hinder me to have a right to defend my issues before the judicial systems, I have sent verifications documents of my finances and ill circumstances to do so.

Thank you
