Ref: In The Matter Of Treatment And Care Of
William Deans

Appellant Case No: 2013-000879

To: Clerk of Court,

Please, inform me as to whether the court DID or Did Not receive Appellant's
"Application To Lift Supersedes " in this case ?

I have not received a clock stamped copy of the filing.

If the Court did receive the filing, when can I expect a ruling a ruling, for the delay is
stopping me from defending the case or even obtain a SCC Ann. 44-48-110 hearing for
2013 / 2014.

Respectfully submitted by,

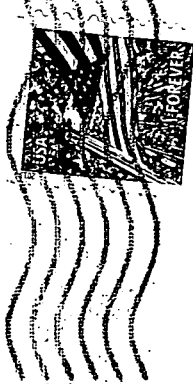

William Deans
