MOTION FOR EXTENSION OF TIME TO SERVE RECORD ON APPEAL

The Appellant, Rodney White, appearing pro se, respectfully moves this Court for a thirty (30) day extension of time to serve the Record on Appeal. In support of this motion, Appellant states the following:

1. Appellant previously filed a Designation of Matter identifying the materials to be included in the Record on Appeal pursuant to the South Carolina Appellate Court Rules.
2. The designated materials include numerous pleadings, motions, orders, transcripts, and other filings from the proceedings below.
3. Due to circumstances beyond Appellant's control, Appellant has encountered significant difficulty compiling and organizing the designated materials necessary to complete the Record on Appeal.

4. Despite diligent efforts, Appellant has been unsuccessful in timely compiling the materials necessary to properly serve the Record on Appeal in accordance with the Rules of Appellate Procedure.

5. The requested extension is made in good faith, is not intended for purposes of delay, and is necessary to allow Appellant adequate time to assemble the designated materials and ensure that the Record on Appeal accurately reflects the proceedings below.

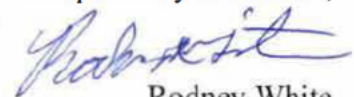

6. No party will be prejudiced by the requested extension.

7. Accordingly, Appellant respectfully requests that this Court grant an additional thirty (30) days within which to serve the Record on Appeal.

WHEREFORE, Appellant respectfully requests that the Court grant a thirty (30) day extension of time to serve the Record on Appeal, and for such other relief as the Court deems just and proper.

Date: March 13, 2026

Respectfully submitted,
