

1/23/26

Dear Honorable Patricia A. Howards,

I was recently notified by Ms. Ashley M^c Mahan that she filed a Johnson's petition with her brief in my Writ of Certiorari case number 2025-00800. Prior to her being appointed as my counsel I submitted a pro-se brief ~~in~~ the matter 2025-00800 along with an appendix I would like to have submitted as my response to the Johnson's petition. The court informed me that they would send Ms. Mc Mahan a copy of the submitted pro-se brief so therefore the previously submitted brief should still be on or in the records of this matter 2025-00800.

Respectfully

Gregory K Green # 299039
