Dear Ms. Patricia A. Howard,

S.C. SUPREME COURT

After I had chance to review the Appendix for case number 2025-00800 I have discovered that volume III of the appendix is incomplete due to the fact Documents from the Federal Court case 2:21-cv-01376 - RMG-MGB only have the odd pages and not the back side of the documents (even pages.) I submitted these documents to the record at PCR along with the depositions of Michael Sanchez and Karen Cordray which were copied correctly in the Appendix with front and back pages (odd and even numbered) Pages copied. I would like for the courts to obtain and review the actual accurate documents I submitted instead of the partial documents contained in the Appendix. The missing or partial documents are Entry number 67, Entry number 70 and Entry number 88 of the above listed Federal District Court Case # 2:21-cv-01376 which breaks down and solidifies my 4th Amendment Violation Claim that can be found on Pacer Monitor or through requesting full copies from the PCR Court or the District Court. I turned in my Original Copy to the PCR court magistrate and gave a copy to Attorney General Danielle Dixon at my PCR thinking that the

complete copies would be put on the record as stated by the PCR Magistrate Newman, or I don't know how my appointed attorney Ashley Mc Mahan managed to only submit the odd pages in her Appendix but those entry's are critical to my arguments and need to be reviewed by the Supreme Court Magistrates reviewing my case.

Respectfully,

Gregory K Green #299039
