**APPELLANT’S SECOND MOTION TO AMEND
DESIGNATION OF MATTER AND RECORD ON APPEAL**

Appellant moves the Court to grant Appellant leave to amend the Designation of Matter and Record on Appeal to include exhibits cited in Appellant’s initial brief that are missing from the filed Designation of Matter and Record on Appeal. In particular, Appellant seeks to include the deposition testimony of Respondent, a Guardian *ad litem* report, No prejudice will result as these documents were cited in initial briefs and inclusion in the Record on Appeal will clarify the issues before the Court. Counsel for Respondent has neither consented nor opposed to this motion at the time of filing.
