Appellate Case no. 2025-002587 rehearing

Letter SC court of appeals Rehearing.

I have or had case in SC court of appeals for rehearing of an appeal I am and trying to find out what is occurring in the action. I served the solicitors office by mail and sent by email a letter stating that I had served them by mail or a service of process. I have not received any information since and I had delayed a letter or paper that was stated as received by SC court of Appels when was in hospital with ammonia. I was hospital for three weeks a reason for delay in service or where I was in the hospital with ammonia. I also sent a copy of letter from grand strand hospital few days ago at the us post office with sufficient postage at 505 north kings highway to SC court of appeals.
