

# The South Carolina Court of Appeals

Walter R. Hoover, Jr., Claimant, Appellant,

v.

Tractor Supply Company, Employer, and Starr Specialty  
Insurance Company, Carrier, Respondents.

Appellate Case No. 2025-001248

---

## ORDER

---

On February 3, 2026, Respondents filed a "motion to correct the record on appeal" because the record filed by Appellant failed to include two items designated by Respondents: (1) the transcript of the hearing before the Worker's Compensation Commission's Appellate Panel and (2) Respondents' full APA submissions. On February 6, 2026, Appellant filed a return, stating he served the record "exactly as provided by the South Carolina Workers' Compensation Commission" and objecting "to any implication that he bears responsibility for the contents of the certified record." After careful consideration, we grant Respondents' motion. Within ten days of the date of this order, Appellant shall serve and file a supplemental record on appeal that includes the transcript of the hearing before the Worker's Compensation Commission's Appellate Panel and Respondents' full APA submissions. *See* Rule 210(a), SCACR (stating the appellant must serve the record on appeal); Rule 210(b), SCACR (stating the appellant must file the record on appeal); Rule 210(c), SCACR ("The [r]ecord on [a]ppeal shall include all matter designated to be included by any party under Rule 209 [of the South Carolina Appellate Court Rules] . . ."). Failure to comply will result in dismissal of the appeal.
