Good Morning,

We received some correspondence from Mr. Jones about an appeal he mailed to the Court back in February. It looks like we never received the appeal via USPS. I vaguely remember speaking to him, and I think I may have forwarded his call to one of the docketing supervisors. He does have our blank forms so we did help him at some point. I looked in the NOA archives, ctapp archives, and the miscellaneous archives to see if we had ever received anything, but I could not find any filings from Mr. Jones prior to this one. I am not sure if anyone else remembers speaking to him.

I have attached his filings and the public index for his circuit court case. How should we respond?
