Kennedy/Fink v lhrvrc obstruction of justice.

We sent money to file a smj that the judges are not going to like but Is all true AND THE COURTS MUST ADDRESS. We need an EXACT NAME OF THE MOTION TO B FILED AND ANY OBJECTION NEEDS TO COME AS AN ORDER BY THE COURT FOR FEDERAL APPEAL LATER IF NEEDED.

As requested previously, the clerks job is to properly file. It is not properly filed. Please correct today.

It is not our wish to bring in the clerks...but we have had to in the trial and supremes bc they are violating their duties.

When we wrote u to vlarify...u changed directions and filed the way u must under the law. The court had to try to fool us w jasmin smith bc they could not convince u to involve urself in something u know u cant do.

But now u are labeling a motion as correspondence w out even the name. This is obstructing justice and must be properly corrected now. We need the clerks office to properly act and not b involved in obstructing justice.

Thank you and please do this asap.

Kennedy and Fink
