of certiorari

S.C. SUPREME COURT

Pro-Se Defendant Terrell Herbert Sr. files this petition for a writ of certiorari to seek review of his conviction and sentence. Defendant (Herbert) was convicted of two counts of 1st Degree Harassment and sentenced to 6 years imprisonment. Defendant has never been convicted of harassment before, and has not been convicted of any violent crimes, but he received the max sentence on each charge of harassment and Judge William Seals also ran them consecutive. Also the defendant filed a Motion for his right to a speedy trial on 8-18-25, and didn't receive his trial until 3-18-26, due to no fault of his own. Defendant also filed a Motion to Dismiss because of that violation and the trial Judge denied that motion to.

Defendant (Herbert) feels this conviction and sentence is Cruel and Malicious.

Defendant has not been convicted of any crimes in over 15 years, but his rights were violated during this trial by not being granted a Speedy Trial or the Judicial Enforcement of Speedy Trial which is guaranteed by the Sixth and Fourteenth Amendments to the United States Constitution and Article I, Section 14 of the Amendments to the South Carolina Constitution.
