Attorney for Respondent

Appellant, Victoria Joy Stevens, appearing Pro Se, moves this Court pursuant to Rule 212(b) of the South Carolina Appellate Court Rules (SCACR) for an order correcting the Record on Appeal filed on July 1, 2025 in the above-captioned matter.

In support of this motion, Appellant shows:

1. **Nature of Error:** The Record on Appeal currently reflects absence of Judicial comments relative to evidence, not admitting statements from licensed workers, the Jury's initial award, comments his Honor made to my Witness, and of the Jury's verdict which violated Judicial Canons, and more. I am extremely upset such has occurred, and seek a bipartisan review of these transcripts.
2. **Accuracy Required:** The true and correct recording has been requested appropriate review per court reporter Kay Richardson on February 7, 2026. The Appellant is awaiting response. Email sent February 7, 2026. USPS mail sent Friday, February 13, 2026
3. **Necessity:** This correction is necessary to accurately reflect the proceedings below and to allow for proper appellate review of the issues raised.
4. **Counsel for Respondent** has been contacted, with this correspondence, and a response is pending.
5. **Supplementation:** Appellant further requests to supplement the record with recording of common pleas case #2022CP2604125 from which transcripts were derived. After which I request an order to show to the lower court that Judicial statements were erroneously or inadvertently omitted from the Record on Appeal, said comments were biased and directly conflicted with Judicial Canons per SCCourts.org. They were basis for my appeal. Given the horrendous pain I am in, after five joint replacements, and three major orthopedic surgeries, the absence of a functional bathing facility, and the associated pain have attributed to this delay. I am only physically able to sit, read, concentrate, type and research, an hour or two daily. I also need travel to therapies, and medical visits many days each week.

WHEREFORE, Appellant respectfully requests that this Court grant this Motion to Correct the Record.

Respectfully Submitted,

Victoria Joy Stevens

Mr. Smith,

I received your correspondence requesting removal as counsel. Said action does not eradicate your liability for the abuses of process you engaged in prior to and during the Common Pleas trial of 2022CP2604125. This is not the way in which our system works. I am stunned that a licensed legal practitioner could be involved in the discrepancies I have listed. My family owns Horry County's oldest Law Firm, and these ethical discrepancies are things I know would never occur at Stevens Law. These will all be addressed with the proper agencies when I have less to deal with regarding my health, my home, my responsibilities, and the poorly executed legal matter in discussion.
