[Progress Notes by Leslie F at 2/16/2026 5:03 PM](#)

Family meeting today with Dr. Smith, Pt's wife, 3 adult children and pt's ex wife. Dr. Smith gave a very detailed medical update as well as poor prognosis ahead.

Explored the difficulty in balancing personal wishes with pt's previously expressed preferences. Provided emotional support and space for questions. With no clear path to recovery and medical team consensus that prognosis is poor, pt's wife, legal decision maker, made decision to focus on comfort on Wednesday,
