MOTION

RETURN MOTION

I have emails stating that I put in the service order for my light that is coming off the ceiling, it can drop on me or my kids anyday.

Also put in an order for my dishwasher that is flooding my kitchen floor and has mold in it . All was done was a snake rod through it

I have a front door that is a death trap , I have to shake it the door very aggressively to open . I contacted the South Carolina Human Affairs Commission for the discrimination and the local health inspector for our repairs being neglected
