

- f. All Neutral Judges assigned to review SMJ/Recusal/Fraud on the court and to take over this matter going forward;
- g. All Neutral Judges Void Murdaugh and send him back for his full term of sentencing, Strike and vacate all rulings as no SMJ;
- h. Neutral Judges protect the innocent who are not voided and the Court must not punish the innocent for the actions of the guilty; Neutral Judges hold the Defense and State in Default for not answering these motions and enter Voidness on these grounds also, where Murdaugh gets no more bites at the apple;
- i. Neutral Judges Hold Court Sanction for all Feigned ACTORS, and assign a good and honest prosecutor if there be one, or better, go outside SC and the Fed 4th Cir. for prosecutors;
- j. Take over Movant's case and be Neutral and hear all matters, including, but not limited to the matters that were affected by Murdaugh and Asbestos litigation through these corrupted Courts and ACTORS;
- k. Void as Fraud, the Appeals Court in Movant's case who just did exactly what Movant's said they were doing so the Actors in the Supremes could continue to cover up and feigned for their Aristocratic LMCE, Murdaugh. It is self-evident an evidentiary hearing cannot be called after a 12b6 was not successful on 162 documents without explanation and no possible way to comply, done ON PURPOSED, with the trial court and the appeals court Order who then dismissed the case.
- l. Whoever is in charge, even if breaking the law, produce and Order instead of hiding or pretending the Motion isn't filed. . . stand up for your position if you really thing you are acting Constitutionally, . . . Deny. . . Movants will appeal. Note without an Order, and this Notice, Movant's have made good faith effort to get a right to be heard and Order and Constructively are denied.
- m. Movant's demand an Oral Argument on the SMJ/Fraud on the Court.

. . . SC "put on parade South Carolina's tradition of laws designed for corruption . . . left a visiting federal judge stunned at what he saw . . . A public office isn't a gilt-edged invitation to public plunder . . . not all South Carolinians are clear on that point . . . Because some South Carolinians have tolerated law breaking, winked at it or worse, . . . The conditions are a shame on the state." Credits within.
