Please file this in Murdaugh's case as soon as you get it under the full title.  
Signed signature page attached as separate attachment in email.

We are demanding an oral argument and Order for part of our very large appeal and any subsequent suits needed, since it is being unlawfully ignored.

Exhibits are coming by mail/sop/m.o., and we have been retaliated in an ex parte, orchestrated attack against our meritorious mirror image case. We need to build a complete record for what is coming later.

Thank you.

Dr. Linda Kennedy and Dr. Marsha Fink on our SMJ/Fraud on the Court challenge.
