

The South Carolina Court of Appeals

Elaine C. Rice and Whitnee Dash-Brathwaite,
Appellants,

v.

SC Home Holdings, LLC, Respondent.

Appellate Case No. 2024-001614

ORDER

On March 16, 2026, Appellants sent a letter to this court, stating the orders from which they filed their notice of appeal were "not yet ripe for appeal." Thereafter, Appellants requested "the appeal be stayed and the case remanded" for further proceedings. In the alternative, Appellants requested this court dismiss the appeal "without any prejudice to the parties' right to appeal once the case has been finalized." Appellants indicated Respondent agreed with their proposed course of action. After careful consideration, we dismiss Appellants' appeal.
