

The South Carolina Court of Appeals

Cheryl Carter, Appellant,

v.

McElveen Buick-GMC, Inc., Respondent.

Appellate Case No. 2026-000201

ORDER

On February 10, 2026, Appellant filed a motion to allow her to order the transcripts out of time. On February 17, 2026, Respondent filed a return, opposing Appellant's motion, and moved to dismiss the appeal. On March 6, 2026, Appellant filed a return to Respondent's motion to dismiss, in which she requested permission from this court to file her return out of time. After careful consideration of the filings, we deny Appellant's request to file her return to Respondent's motion to dismiss out of time, deny Respondent's motion to dismiss the appeal, and grant Appellant's motion to order the transcripts out of time.¹
