

# The South Carolina Court of Appeals

Dennis M. Temple, Appellant,

v.

State of South Carolina, Respondent.

Appellate Case No. 2024-001193

---

## ORDER

---

On February 27, 2026, Appellant filed a motion to hold this appeal in abeyance, allow him to receive Respondent's initial brief and designation of matter, and supplement the record on appeal on file with this court. Respondent did not file a return. After careful consideration, we deny Appellant's motion to hold the appeal in abeyance. However, we order Respondent to serve and file a supplemental record on appeal containing the items not included in the record on appeal filed by Appellant within thirty days of the date of this order. Further, we are providing Appellant a copy of Respondent's initial brief and designation of matter along with this order.
