

The South Carolina Court of Appeals

South Carolina Coastal Conservation League, Appellant,

v.

South Carolina Department of Environmental Services
and Pulte Homes, LLC, Respondents.

Appellate Case No. 2025-000379

ORDER

On January 6, 2026, Appellant filed a "motion to strike extra record evidence." On January 16, Respondent, South Carolina Department of Environmental Services (SCDES), filed a return opposing the motion to strike and moved for the court to "take judicial notice of case no. 2022-CP-10-05192." On January 30, 2026, Appellant filed a reply in support of its motion to strike. Additionally, on January 16, 2026, SCDES moved to consolidate the above-captioned appeal with *South Carolina Coastal Conservation League v. SCDHEC*, Appellate Case No. 2025-001315. Appellant filed a return not objecting to consolidation.

After careful consideration, the court declines to take any action on these filings. Instead, we will consider Appellant's motion to strike and SCDES's motions to take judicial notice and consolidate when we consider the parties' briefs.
