yes I'm writing to inform the courts that my attorney Kia Wilson was ineffective, 1st she never went over my plea the solicitor sent to me I also asked her to file a motion to compel to see all the evidence against me so we would know how to fight my case which I never recieved anything about I recieved my motion which had nothing in it everything was redacted it had my drug report and my NCIC and a notice about a 609 statute where the solicitor used my state charges that were dismissed by the state and picked up by the federal government 25 years ago I asked to challenge them which she replied just take the plea or 25 years she never went over the search warrant where the police raided my house I never recieved warrants for my cashapp or

bank accounts I feel I was forced into taking a plea when I told Kia Wilson my family was hiring me an attorney she said it was too late because I already had a trial date the lawyer my family sent to talk to me said it was no way I should be on a trial roster when my case was only a couple months old she was ineffective by not giving me the tools I needed to help fight my case she was ineffective by not doing what me and my family asked of her she was ineffective by not getting me all the information requested pursuant to rule 5 of the South Carolina rules of criminal procedure and Brady vs Maryland
thank you

Sincerely
Gerald Lemont Steele
