RE: Nancy S. Turner, Appellant Representative of the Estate of Martha L.E. Schaffer vs.  
Susan S. Sawadske, Respondent  
Appeals Case No. 2013-000457

I humbly ask permission of the Court to extend the time to file the Appellant's Final Brief. As the Appellant has not been served with the Respondents Designation of Matters or Initial Brief but do see from C-Track that the Court is in receipt of both as of Nov. 18, 2013. By that date the Appellant should file the Final Brief Dec. 8<sup>th</sup> 2013. This happens to be a Sunday. Monday the 9<sup>th</sup> 2013 of December, would be the next day for filling the Final Brief.

I ask the Court for an extension of 45 days to January 23, 2014, if you could be so kind. I would not ask but winter is coming and there is much to be done to prepare the farm and stock. Many of these tasks are usually performed by my husband but he is recovering from his ankle and heal being rebuilt and is walking just not very well. So winter preparations have become my tasks.

Nancy Turner  
  
Pro Se Appellant
