Donald,

Today, Legal Eagle was assigned your transcript request in the above referenced matter. Based upon our review of the records, it appears this transcript will be approximately 65 pages long. The following was indicated on the request form:

- Standard Delivery (60 Days)
- PDF/Email Requested

The estimated standard delivery cost for this transcript is \$276.25.

Please note that the page estimate is not guaranteed. The price indicated above is an approximation based on the audio length. The actual cost and page count may vary due to several factors including but not limited to speech rate, side bars, Q&A v Colloquy, and hearing type. A final invoice will be sent when the transcript is completed.

Please include any attorneys who were present at each hearing and who they represented with your confirmation as the attorneys are not always introduced in the audio.

Once you have authorized us to proceed by responding to this email, we will place your transcript inline for production with a 60-day due date, although transcripts are usually completed much earlier. An invoice will be provided with your final transcript. If you have any questions, please let us know.

Thank you,

Jessica Antonucci
