Clerk of the Court
South Carolina Court of Appeals
P.O. Box 11629
Columbia, SC 29211

Dear Clerk:

I am the appellant in the above-captioned matter. On March 27, 2026, I received a copy of the court's deficiency letter addressed to respondent's counsel, Mr. Austin Drake Nichols. Through that letter, I first became aware that a motion to allow late filing of the respondent's initial brief and designation of matter had been filed with the Court.

I was not previously served with a copy of that motion or any notice of its filing. I therefore had no opportunity to respond or to be aware that further proceedings were pending.

I respectfully request that the Court remind respondent's counsel of his duty under the South Carolina Appellate Court Rules to serve all parties with any motion or other filing submitted to the Court. I would appreciate being provided with copies of any future filings so that I may fully participate in the appellate process.

Thank you for your attention to this matter.

Respectfully,

Bruce Wilson
