**LETTER TO THE APPELLATE COURT CLERK
REQUIRING INSTRUCTION ON FILING RECORD ON APPEAL**

April 1, 2026

Clerk of Court, South Carolina Court of Appeals

RE: Olga Teslenko v. Joe Kocsis
Appellate Case No. 2024-001734

Dear Ms. Kitchings,

I am writing to request instructions regarding the submission of the Record on Appeal (ROA). The finalized ROA is 562 pages and approximately 62 MB, which exceeds standard email attachment limits.

Pursuant to Rule 211(a), I am prepared to deliver the original and six hard copies of the ROA and Final Brief via Federal Express to the Court. However, due to significant financial hardship and the substantial volume of this record, I respectfully request the Court's permission to file the original and only one hard copy for the Court's use, to be supplemented by a full digital version on a secure medium (such as a flashdrive). I will also serve one (1) copy on the Respondent.

I am also seeking clarification on whether a digital copy must also be submitted, and if so, if the Court will accept a multi-part email submission or a flashdrive included with the hard copies, given the file's 62 MB size.

Furthermore, I must respectfully re-state the duress I am under due to the lack of rulings on my pending emergency motions. As a disabled pro se Appellant, the requested extension of time is essential for my ability to complete the Final Brief and ROA, while the requested supplement record is essential to the merits of this appeal and has been necessitated by the denial of judicial review below.

I remain grateful for the Court's time and guidance.

Respectfully submitted,
s/ Olga Teslenko
