**MOTION FOR EXTENSION OF TIME TO FILE APPELLANT’S INITIAL BRIEF AND  
DESIGNATION OF MATTER**

---

The Appellant’s, by and through undersigned counsel, hereby move for an extension of time to serve and file the initial brief and designation of matter.

Currently, Appellant’s initial brief and designation of matter are due on April 10, 2026. The undersigned has been preparing for multiple trials in state Court that either settled just before trial or were continued. The undersigned also argued before the Fourth Circuit Court of Appeals on March 18 and March 19, and had to pause the drafting of the brief in this appeal in order to properly prepare for oral arguments on back-to-back days. The undersigned spent a significant amount of time over the last two months preparing for these arguments, which arose from two different federal actions. While preparing for those arguments, the undersigned filed initial briefs

in two separate state court actions with this Court on March 12, 2026, and is currently finalizing an initial brief, which is due April 7, 2026, in another action.

For the foregoing reasons stated herein, Appellant's respectfully requests a 30-day extension, which would make Appellant's initial brief due May 10, 2026.

Respectfully Submitted,
