**Subject: URGENT: CLARIFICATION REQUEST REGARDING "PARTIAL" STATUS – CASE NO. 2026-000079 & 000317**

**TO: Clerk of the South Carolina Court of Appeals**

**ATTN: Jasmine Smith / Deputy Clerk**

**RE: Tony Williams v. Lowe's Home Centers, LLC (Appellate Case No. 2026-000079 & 000317)**

Dear Clerk,

I am writing regarding the entry on the Public Index dated **March 30, 2026**, which labels my recent filings as "**Deficiency - Partial Corrections.**"

Please be advised that I served **all pending motions** listed in your March 23 Deficiency Letter upon both Respondents' counsel—**Andrew Gordon Melling, Esq.** and **Michelle W. Gaston, Esq.**—via U.S. First Class Mail. I have also submitted the required filing fees.

There is nothing "partial" about my compliance. I have met every requirement of the South Carolina Appellate Court Rules to perfect these filings.

As a **100% disabled veteran** dealing with a **life-threatening medical crisis** involving my spouse, I cannot allow clerical ambiguity to delay the judicial review of my **Omnibus Motion for Summary Reversal** and the **Certified Default** of the Respondents.

**I respectfully request the following:**

1.  
Immediate clarification as to what specifically is deemed "missing" or "partial."
2.  
The immediate update of the docket to reflect **Full Compliance**.
3.  
The immediate submission of my motions to the assigned Panel of Judges for a ruling on the merits.

Time is of the essence. The Respondents are in default on a **\$30,000,000.00** liability, and any further delay in the "gatekeeping" process will be cited as a violation of my Due Process rights and reported to the **Office of Disciplinary Counsel (File No. 26-DE-L-0486)**.

Sincerely,

**S/Tony Williams**
