VERIFIED EMERGENCY MEDICAL CERTIFICATE

PURSUANT TO RULE 6(b), SCACR & THE EGGSHELL SKULL DOCTRINE

I, Tony Williams, Appellant Pro Se, hereby certify under penalty of perjury:

1. That my spouse has been diagnosed with **Cancer** and remains hospitalized in critical condition.
2. That the Respondents' ongoing **Extrinsic Fraud**, "Identity Splitting," and bad-faith refusal to satisfy the **\$30,000,000.00 Certified Default** have caused, and continue to cause, extreme emotional distress and physical manifestation of injury during this medical crisis.
3. That under *Bramlette v. Charter-Medical-Columbia*, the Respondents take the victim as they find him, and their "outrageous conduct" in grooming the appellate record while a family faces a terminal diagnosis is a source of aggravated damages.
4. **EMERGENCY REQUEST:** Appellant moves the Clerk to treat this filing as an **Emergency Affirmative Motion** and to bypass any "Partial" or "No Reply" flags, submitting the record to the Judges immediately for a ruling on the merits to prevent further irreparable harm.

s/ **Tony Williams**
