Hello,
Hope all is well

We are writing regarding Court of Appeals CASE No:2025-001299.

We recently (3/18/26) received correspondence indicating that the transcript challenge process has concluded and that the case has moved into the Initial Briefing stage.

We would appreciate your assistance in clarifying a few procedural points:

So, that we may ensure the filings are accurate and complete.

- 1) Has the RECORD on Appeal been fully transmitted to and received by the Court of Appeals in this case?
- 2) If so, on what Date was the RECORD on Appeal received?
- 3) Is there a way for us the appellants to review or obtain a copy of the RECORD on Appeal as it has currently existed before the Court?
- 4) Does the RECORD on Appeal include all the filings and submitted materials from the Lower Court proceedings, including affidavits and supporting exhibits?

We want to ensure Court of Appeals has a complete and accurate Record prior to Submitting our Initial Brief.

Thank you very much for your time and assistance.

We genuine appreciate your guidance.

Respectfully,

Attia Elbadawy
